

Thompson's®

THE WATERPROOFING EXPERTS

ADVANCED

BRICK & MORTAR CLEANER

Thompson's Advanced Brick & Mortar Cleaner is formulated to effectively remove mortar stains, limescale and efflorescence from various surfaces such as bricks, tiles, concrete and stone.

COMPOSITION

Thompson's Advanced Brick & Mortar Cleaner is formulated in an acidic aqueous solution.

Physical Properties		
Dilution Rates		
Light Stains	1 Part Cleaner	10 Parts Water
Medium Staining	1 Part Cleaner	5 Parts Water
Heavy Staining	1 Part Cleaner	1 Part Water
VOC	Minimal	0-0.29%
Odour		Detergent type
Viscosity		Low
SIZES		5L

AREAS OF APPLICATION

Suitable for use on bricks, tiles, concrete and stone.

PREPARATION

Give the surface a scrub with a stiff bristle brush, remove any moss or dirt. Wet the surface being cleaned.

APPLICATION

Once the required surface is wet you can apply Thompson's Advanced Brick and Mortar Cleaner with a brush or sprayer. If you are cleaning a wall, work in 1m sections working from the bottom up. Make sure each section is fully saturated before moving on. Once Surface is clean and dry you can then seal your wall with Thompson's Waterseal.

DRYING TIME

Product should have a working time of 5-10 Minutes depending on the surface being cleaned. Once Thompsons Advanced Brick & mortar cleaner has cleaned the surface, ensure it is cleaned to remove all remaining product. Leave surface to dry.

CLEANING OF TOOLS

All equipment should be cleaned immediately after use by rinsing with plenty of water and detergent.

IMPORTANT NOTES

- Always read the instructions carefully before use
- Always test the cleaner on a small inconspicuous area first before cleaning the whole area
- Avoid spillage onto surrounding vegetation
- Do not allow neat product to enter drains or watercourses
- PROTECT FROM FROST

STORAGE

Ensure container is fully re-sealed after use. Always store and transport in a secure and upright position. Store in frost free conditions. The shelf life of the product in sealed containers is 2 years.

HEALTH AND SAFETY

Follow and observe all warnings and instructions for use shown on pack. Specific health and safety data sheets are available on request.

DISPOSAL

Don't empty any left over product into drains or watercourses. Your local authority may have special ways to get rid of waste coatings.

LIABILITY

The information in this Product Data sheet is based on technical knowledge and experience, and every care is taken to ensure its accuracy. This information is provided in good faith but without warranty, given ultimate results will depend on a range of factors beyond our control (such as method of application and surface conditions). We can accept no liability for the performance of products arising out of such use. Standard codes of painting practice should be followed.
